PRIVATE MIXOLOGY STUDIO · EST. 2024 · NYC METRO & NEW JERSEY

FOR EVENT
PLANNERS

A private mixology studio built on a sommelier's discipline. Founder Teimuraz Benidze, the first certified sommelier in Georgia's history, brings three decades of wine and service to a quiet, exacting bar - thirteen signature cocktails, clear ice as standard, and the *cocktail omakase*: the no-menu evening the studio defined.
